Highlights of Programs

A. **Child Rights , Child Care and Protection:**

1. **Child Care and Protection:** Being an active and pioneer member of Bihar Forum for CRECHE and Child Care Services we act regularly and use to rise the voice of Care and Protection at any Platform. If we are at any place there will be the voice of awareness generation, sensitization and JJ Act .
2. **Child Rights :** Our Strategy is to input issues of Child Rights in our any Program to make our concept - “Child Centered development” be fruitful. So, this way, we do Advocacy at Local level – PRIs, Administrations Educational and Health Institutions.
3. **Work Oriented Education to Rural Girls:** Facing the Challenge of Universalization and equalization with quality this is our first activity .Since inception of the organization it is running continuously. We say with proud that no Private schooling can challenge Public sector schooling and there is no Private schooling whom can be named as the best in the country. It needs to introduce Technical education .With our this concept we run this school for Girls as a movement
 - i. **Secondary School Education:** This year we admitted students only in 9th Class and run 9th and 10th Class. Along with new admissions and total 264 girls were educated this year. No of Students Registered for secondary school examination 104 and appeared in Secondary School Examination .No of Students passed in Bihar Secondary School Examination -44.

- ii. **Vocational Training:** We imparted skill development training in following skills
 - a. Computer software .
 - b. Accountancy.

2. **AXSHYA**: The meaning of AXSHYA is without 'KSHAY'. KSHAY is a Hindi word which is called Tuberculosis(T.B.) in English. General People do not know KSHAY ,but they know TB.T.B has become a popular name. It looks very terrible in the mind of Civil society. Our goal is to nullify its terror and increase awareness to control its spread . So, our goal is to cut down the chain of transmission of infection through supportive action along with RNTCP.

Our strategy is to aware community, sensitize Social Influencers ,Media and Governance system along with service providers by Regular meetings,Advocacy,Trainings and Workshops,Regular identification and referrals of suspected patients to DMC,Provide information on symptoms and diagnosis, help in counseling of TB Patients and retrieval,Help in Sputum Collection and Transportation and to support TB Patients in social acceptance and reducing stigma.

C. Women's Empowerment: With the view of empowering women by participation in governance system, increasing their approach towards development system, providing broader platform to arise voice against their exploitation and abuse and active participation in financial inclusion it was started. Now it has become self relied and SURAJE is regular touch of the federation and supporting by Technical Support, guiding the right way of action, training, Workshop, Seminar, Advocacy etc. World Women's Day Celebration was organized by SURAJE.

D. Promoting Voluntarism: Our concept is very clear to make easy and effective efforts for upliftment of the society needs to awake and strengthening Voluntary Action. It needs self activeness of the civil society for its development prosperity and peace. A coordination with Volunteers and different stakeholders, service providers and Governance system only can establish a society of our vision. With this concept we promoted Village Service Volunteers –A team for voluntary actions. We are trying for its more spread and strength.

E. Micro Insurance: This Program was started under Micro Finance activity and covers poor and marginalized family with the support of Life Insurance Corporation of India. We generate awareness among the people who are away from Insurance Program. 102 new marginalized and poor people were included in this activity this year. Year by Year the No is increasing and handling is voluntary.

Looking Ahead:

Organization still aspires to optimize its services and intellectual support to beneficiaries more vigorously. By the way, SURAJE dreams to maximize benefits of its stakeholders by resorting to following aspects:

- Academic residential accommodation for poor/destitute / Orphaned and needy Children
- Awareness generation on HIV/AIDS, STD & T.B and general Health and Hygiene .
- Promotion of Environment Protection & Eco-restoration.
- Development of Contacts – both supporters and donors.
- Promotion of livelihood-centered natural resource management.
- Promotion of Volunteers and Cadres at grass roots level.
- Agro promotion with emphasis on organic farming focusing on youth farmers – both at rural as well as urban base.
